THANK YOU SO MUCH

for volunteering as a door-to-door collector on Sunday, September 7th!

EVERY STEP COUNTS

By joining us, you have made an incredibly important decision to support children in need. Far too many children are fleeing conflict, going to bed hungry, and living in war zones.

By taking part in our national door-to-door collection, you are making a huge difference for the children who need it the most – both here in Denmark and around the world. So, from the bottom of our hearts, thank you for dedicating about three hours of your Sunday to help children in need.

HERE ARE YOUR COLLECTION MATERIALS

- Your **route** is shown on the back of this letter.
- **A collection badge** – do not forget to attach the sticker with your MobilePay QR code to it.
- **A sheet of stickers** – to place on your collection badge and on your clothing.
- **A collector's guide** – find answers to frequently asked questions.
- 100 flyers – leave these in the mailboxes of households where no one is home.
IMPORTANT: Make sure they are placed fully inside the mailbox.
- A small bag – to carry the flyers.
- **A gift for you and your friends** from our partner Toms.

REMEMBER: DONATING IS ALWAYS VOLUNTARY

Donating is, of course, entirely voluntary. We hope you will respond to a “No, thank you” with the same friendly smile you offer to those who choose to contribute.

If, for any reason, you are unable to participate, please let us know by e-mailing:
landsindsamling@redbarnet.dk.

Kindly provide your collector ID, which can be found at the top of this letter.

Finally, I wish you a fantastic collection day and thank you once again for joining us in this important cause!

Warm regards
